These are unforgettable cycling routes through the valleys of the Algarve mountain chain and Ria Formosa's Natural Park, amongst ancient civilization remains and virgin beaches which can be done all year round due to mild climate of the region. Through fresh water streams and valleys with the fruity scent in the air of the fruit orchards, by cycling trails or rural roads with almost no traffic, nested by old centennial trees, you will have the opportunity to know closely the rural Algarve and its people; castles; fortresses; fortifications, places full of history with more than 500 years old. Following meandering riverbanks and breathtaking beaches you will visit several cities; São Brás de Alportel, a small inland town known by the cork industry and local handicraft; Tavira, one of the most important cities in the Algarve, known by its ancient castle, tens of churches and convents and its people's connection to the sea.; Castro Marim and Vila Real de Santo António, two small towns in the border with Spain with its history of seamen, canning industry and old times of smuggling with the neighboring country. The landscape is marvelous. The gastronomy is an highlight and it is not by chance that we are considered to have the best fish in the world. However, seafood, wine, liqueurs and conventual sweets are excellent options. All with attractive prices.. Staying at Pedras d'el Rei or Pedras da Rainha, Nature Sports & Beach Resorts,(locate in the heart of Ria Fomosa Natural Park), with all commodities for a good night sleep, you will be always surrounded by the tranquility of sounds and aromas provides by Nature. Here, your children will be safe and are free to walk around. Combining accessible routes to everyone, the pure air of this region, marvelous landscapes, the cultural offer and unique gastronomy that amazes every Chef, all conditions are gathered for a memorable family holiday.
